FOREWORD

This school year draws to a close
and our high school days are ended.
It is the students and spirit that
form our classes and activities.
May a glance at the pages in this
1951 Yellow Jacket present memories
that will recall pleasant experiences.

DEDICATION

MRS. S. F. REEDER

The familiar figure of Mrs. S. F. Reeder, who, through the past years won the affection and admiration of the students of Westminster High is greatly missed. In tribute to her many years of service and in appreciation of her as a teacher and a friend, we dedicate this YELLOW JACKET of 1951 to her.

ALMA MATER

Among the foot-hills of the mountains
Towering toward the sky
There's a school we love sincerely
Tis Westminster High.

Hail to the dearest school of all
Our love will never fail
Hail to thee our Alma Mater
Hail Westminster Hail.

Within her walls we stand united
Ready to fight for her
Lifting high the spotless banner
Of Westminster High.

Though the storms of life assail us
As the years go by
We will ere be true and loyal
To Westminster High.
